**Title:**

HTML Tags Visible in Application Status Page (https://laptop.pmyp.gov.pk/student_details.php)

Reported by:

Syed Zafran Haider

Date:

April 28, 2025

📄 **Description:**

When visiting the Application Status page (https://laptop.pmyp.gov.pk/student_details.php), raw HTML tags are being displayed in the Filter Result section instead of being properly rendered. This causes a broken and unprofessional user experience.

⚒️ **Steps to Reproduce:**

Open the URL: https://laptop.pmyp.gov.pk/student_details.php.

Write the Details Of any University

Click The Filter Result

Observe raw HTML tags (e.g., <p>, <b>, <span>) displayed as plain text.

⚙️ **Expected Result:**

HTML tags should be properly parsed and rendered.

Text should appear formatted according to HTML (bold, paragraph spacing, etc.).

🚨 **Actual Result:**

HTML tags are visible to users as plain text.
